## PARKING BAN IN EFFECT

In anticipation of the snowstorm, Mayor Daniel Drew is declaring a parking ban effective at 12:00 noon on December 14, 2013. The Department of Public Works requests that you make arrangements to remove your vehicles parked on City streets. Should you need off-street parking, you may park at the following municipal parking lots:

Corner of Washington/Broad Street  
Corner of Grand/Main Street  
Broad Street (across from Russell Library)  
Melilli Plaza (behind Main Street Market)

Parked vehicles on City streets must be removed by 12:00 noon, or run the risk of being towed by the Middletown Police at the owner's expense. If a vehicle is towed during the parking ban, you may claim the vehicle by contacting the Middletown Police Department at 860-638-4000. All payments, i.e., the ticket and towing charge must be paid at the Police Department before a vehicle is released.

The Mayor asks for everyone's cooperation. Due diligence will be exercised, but safety will remain a priority. Please help the Public Works Department employees to properly clear all City streets.
